

# Wisconsin Sustainable Business Council Conference

The **WI Sustainable Business Council** and the **University of Wisconsin Business, Environment and Social Responsibility** Program present the:

## **2009 WI SUSTAINABLE BUSINESS COUNCIL CONFERENCE**

When: **December 3, 2009**, 8:00 am to 5:00 pm (lunch provided)

Where: **Discovery World**, 500 N Harbor Dr, Milwaukee WI

The WI Sustainable Business Council Conference is the only conference in Wisconsin that brings together businesses from around the state who are interested in, or working towards, sustainability. This conference will give businesses from all sectors, sizes and locations valuable tools to implement sustainability in their business practices. Moreover, attendees will become part of a growing network of businesses active in sustainability, and connect with businesses at the forefront of the green movement.

### **Conference Highlights:**

- Panel: Using Sustainability to Get Through the Economic Recession
- Will Allen on the Importance of Sustainability in the Food Sector (and lunch donated by Growing Power)

For additional information, including registration information, please see:

<http://www.bus.wisc.edu/sustainability/council/conference/>

Registration Fee: Includes conference materials, lunch and refreshments.

- \$200.00 Registration Fee Online or \$250 at the door
- \$50.00 UW Faculty Registration Fee or \$100 at the door
